

Music

We will be learning and rehearsing our songs for the end of year show.

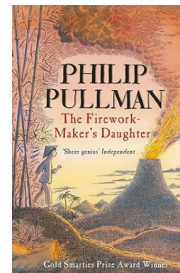

Swallows - Summer 2 'Our Wonderful World'

Science

Our focus this half term is 'Living Things and their Habitats'. We will be using our observations around similarities and differences of living things to classify them. We will also learn about how environmental changes can impact living things and what we can do to help.

English

Our stimulus text this term is '*The Firework Maker's Daughter*' by Philip Pullman. We will be understanding the structure of this modern fairytale and writing an alternative chapter in a similar style.

Jigsaw

Each year group will be discussing topics around the theme of 'Changing Me'

French

Les Glaces

In this unit pupils will learn 10 flavours of ice cream and how to purchase an ice cream in french.

RE

What is the Qur'an and why do many Muslims try to learn it by heart?
We will explore some of the key teachings of the Qur'an, the impact of these teachings and compare some Muslim beliefs with other religious and non-religious beliefs.

Maths

This term we will be learning about decimals, money, shape and direction.

Computing

Skills Showcase: HTML

PE

Gymnastics (shape)
Athletics and preparation for Sports Day

Geography

We will be taking a close look at our local area and begin to look for patterns in how the land around us is used. We will make maps of the local area. We will also consider where different types of farming activities happen across the UK.

Art

Craft and design: Fabric of Nature
Using flora and fauna as a starting point, we will develop drawings through experimentation and textile-based techniques to design a repeating pattern suitable for fabric.
