

Reception - Computing systems and networks: Exploring hardware

Tinkering and exploring and learning to operate a camera

Key Knowledge:

To know that different types of technology can be found at home and in school.

To know that you can take simple photographs with a camera or iPad.

To know that you must hold the camera still and ensure the subject is in the shot to take a photo.

Key Skills:

Learning how to operate a camera to take photographs of meaningful creations or moments.

Learning how to explore and tinker with hardware to develop familiarity and introduce relevant vocabulary.

Recognising that a range of technology is used in places such as homes and schools.

Vocabulary:

mouse

keyboard

keys

motherboard

USB stick

hard drive

monitor

computer tower

memory

technology
