Play Game

This is what you should see:

Before you start playing the games, complete the **Mastery Zone activity**, which can be found by scrolling down the page. When playing the games, you can select the stage you wish to complete: stage 1, 2, 3, 4, 5 or 6; however, all pupils should aim to complete the stage they are currently learning at school e.g. Year 4 pupils should complete games at stage 4 level.

Remember to **finish all games** so that your **score can be registered**.

Activity on your account will be checked weekly by your teacher.

Enjoy!
