

## Music

This term's music lessons will focus on appreciating Caribbean Calypso music through singing and playing tuned percussion.

## Swallows - Spring 2 'Once Upon a Story'

## Jigsaw

Each year group will be discussing topics around the theme of 'Healthy Me'

## Science

### Scientists and Inventors

In celebration of British Science Week we will be learning about different Scientists and take part in some fun challenges to see ourselves as Scientists.

## English

We will be sensitively exploring the refugee crisis through stories. We will use 'My Name is Not Refugee' by Kate Milner as a stimulus for writing a diary entry and a non-chronological report.

We will also begin listening to 'The Boy at the Back of the Class' as our Class Reader.

## French

Children will learn to say the names of different musical instruments.

## RE

Our big question this term is 'Does Art help with Understanding the Easter Story?'

## Maths

We will continue our work on Multiplication and Division from last term. We will also focus on area, length and perimeter. We will also have an introduction to fractions.

## Computing

We will be learning about what makes a computer system and computer networks.

## PE

Tuesdays - Net and Wall Games

Fridays - Maypole Dancing

## Geography

We will be exploring settlements this term. The children will learn why settlements develop in certain locations, compare land use in different settlements, understand how settlements are linked and design their own ideal settlement.

## Art

The children will explore tone, texture and proportion to create realistic drawings.
