Key Knowledge

- The Ten Commandments - These ten rules were given by God. They can be found in the **Old Testament**. Christians try to live their lives by following the **Ten Commandments**.

They were given to Moses by God.

- Part of the **Sermon on the Mount** are the **Beatitudes**, which are sometimes viewed as a Christian manifesto or aims for a Christian life.
- Many of our laws have been influenced by the rules in the Bible
- Christians believe that Jesus taught to show people how to live
- **Golden Rule** for Christians - "So in everything, do to others what you would have them do to you, for this sums up the Law and the Prophets." (Matthew 7:12)

Why is the **golden rule** still important to Christians today?

Can you think of examples of how they/you apply this rule in everyday life?
