During your course you will experience many new things and achieve success in lots of different ways.

Can you show the evidence of how to do these things by demonstrating them to a member of staff from either your school or the centre?

You will need to ask staff to sign to show they have seen you demonstrate the action.

You can add more of your own by using the blank table.

This is a record of YOUR achievements and you should be very pleased, so a very

big congratulations and well done for achieving so much!
