

Year 5 & 6 Red Kites Class Homework: Term 3

This term our topic is **The Ancient Greek Civilisation**. Detailed below is a range of **reading, maths** and **topic** related activities for pupils to complete. Ideally, children should **read daily** and **complete and record one reading activity each week in their reading diary**. Children should also complete the **topic homework**. **Spelling** and **maths** homework has been provided for the whole term - children must complete one activity each week in the correct order, starting with spelling homework sheet number thirteen and the factor worksheet in maths. All work given out on a **Friday** must be completed and returned on the following **Wednesday**.

Reading	Maths	Topic Hand in date: Wednesday 11th February
Read for 20- 30 minutes each day. Record, in your reading diary, words you found difficult to read or were unfamiliar. Use a dictionary to find the definitions of these words and record the definitions in your reading diary. Then select one of the words and use it in a sentence to demonstrate your understanding of its meaning. Record the sentence in your reading diary.	Practise your times tables each week, focusing on learning the times table in the following order: 5 and 10 times tables, 2, 4 and 8 times tables, 3, 6 and 9 times tables, and finally the 7, 11 and 12 times tables. Practise by using <i>Times Table Rock Stars</i>. <i>Times table sheets have also been provided to support your learning.</i> You will complete regular, focused times table tests, including inverse calculations, to monitor your progress and speed. Please complete one maths sheet per week: Factors Prime numbers Square numbers Cube numbers Multiplying and dividing by 10, 100 & 1,000 Multiplying using friendly factors	Ancient Greece Please choose one of the following activities to complete for this term's topic homework. Homework should enhance your knowledge of the Ancient Greek era. To complete your homework, you will need to carry out research. Listed below are some websites you could use to begin your research: https://www.bbc.co.uk/bitesize/topics/z87tn39/articles/zgt7mp3 (Gods and Goddesses) https://www.bbc.co.uk/bitesize/topics/z87tn39/articles/z4q3bqt#zdd8dp3 (The Olympics) Design and make a set of Top Trump styled cards, providing facts about the most important Gods and Goddesses. Create a magazine showing the latest trends in clothes, hairstyles and jewellery for the fashion-conscious Ancient Greek. Create an Ancient Greek cookery book, detailing the Ancient Greeks' favourite dishes. Design an Ancient Greek banknote. Include images of significant people and monuments from the Ancient Greeks era or images of the gods. Alternatively, present what you have learnt in a manner of your choice e.g. make an artefact, explaining what it tells us about the past.
Alternatively, read for 20- 30 minutes each day. Record 3 wonder questions in your reading diary. As you continue to read your book, identify information that answers your wonder questions. Record answers in your reading diary. If you are reading a nonfiction book, create an informative quiz, devising 5 questions. Record both the questions and answers in your reading diary. <i>How many different question styles can you use? Example: true or false, fact or opinion, multiple choice or find two or three pieces of evidence from the text to justify your answer.</i>	Spelling Please complete the weekly spelling sheet enclosed in your pack, ensuring you learn the focus spelling pattern or challenging words. Online spelling games will be available shortly via our online subscription to Spelling Shed. More details will follow this term.	SCIENCE This term you are learning about Earth and Space. To support your learning, please complete the attached moon diary.
