Year 3 and 4 Swallows Class Homework: Term 2 – 'Let there Be Light'

Below are your homework activities for this term. **Homework books and reading diaries** should be returned on a **Monday** morning. Homework books will come back home by Wednesday. Please choose at least one topic homework to complete this term. You may choose from the options below or complete a project of your own linked to any of our areas of learning this term. Be creative! This will be due on **Monday 7th December 2026** so that we may share and celebrate in class. **NB: If you wish to send photos or videos, please send to Mrs McCleary via your Google Account.**

<table>
<tr><th>English</th><th>Maths</th><th>Ideas for topic homeworks…</th></tr>
<tr><td>Read or share a book at home daily. Please record your reading in your reading diary. Your grown up should write in your diary at least three times a week. These will be checked on a Monday.

Discuss what you have read with another person. What did you like? What didn't you like? Was there anything that puzzled you?</td><td rowspan="2">Multiplication Tables

Year 3 - Children should know and recall their 2, 5, 10, 3, 4, 8 times tables and related division facts by the end of year.

Year 4 - Children should know and recall all tables up to 12x12 and related division facts by the end of the year.

We have a weekly tables quiz in different formats to check progress.
Please continue to use Times Tables Rockstars to practise.
You may also use flashcards, sheets, board games to practise as well!</td><td>Transparent, Translucent or Opaque?

Using a torch, test different items around the house. Sort them by whether light passes straight through, scatters partially, or blocks completely.

</td></tr>
<tr><td>Spelling Shed Sheet - homework practice linked to our spelling scheme.</td><td>Shadow Puppet Theatre
Retell your favourite story using shadow puppets. These can be made with card, toys you already have or even just your hands! Experiment with changing the size of the puppets. Are there any other interesting effects you can make?</td></tr>
<tr><td>Spellings are linked to the patterns we are revising/learning in class. Please see the list in your book for the week. There will be a weekly spelling check on a Monday.</td><td></td><td>Geography Project - Oxfordshire

Research an area of Oxfordshire that you would like to find out more about. This could be a particular town or village, a particular spot of natural beauty, or researching how the land use has changed over time. You may choose how to present your project.</td></tr>
